

Module 4

Lesson formats on intercultural learning in the languages classroom

Some plans

1.

TOPIC	TIMEFRAME	LANGUAGES	AIMS
Food and national dishes	3 lessons	French / Danish	Train food vocabulary and oral expression Raise awareness concerning culinary culture

2. How well are the students participating?

3.

- a. write a diary / take notes
- b. Students fill out a questionnaire.

Example:

- Did you find the project interesting? Explain.
- Did all the members of the group participate equally?

4. Get the student to gain deeper cultural understanding concerning culinary traditions

5. To train vocabulary for food and make students more curious about culinary habits in the country concerned.
