

Pyramid of needs¹

How to involve as many people as possible in your project

This tool is a checklist which aims to help you design a project addressing the needs of all participants.

In which way
does your project promote...
**not at all, a little, enough,
perfectly...**

- language learning awareness?
- mediation skills?
- learning autonomy?
- mobility experiences?
- language proficiency?
- language learning pathways?
- intercultural experience?
- language biographies?
- plurilingual repertoires?
- communication skills?
- critical thinking?
- language diversity?
- cultural diversity?
- democratic values?
