

ECML publications for plurilingual and intercultural education in use

Tools and ideas for dissemination

Plurilingual
Education

Mobility and
intercultural
learning

The resources promote better recognition and wider use of ECML publications for plurilingual and intercultural education and provide strategies for the implementation of the publications in the member states.

Resources

A website including:

- a project data bank containing examples of practices from a wide range of countries
- a promotional ECML video
- two workshop models to promote effective use of ECML resources

EN

DE

The resources are for

- teacher trainers
- decision makers
- ECML National Contact Points

Authors

Ulrike Haslinger, Gerard Doetjjes,
Marita Gareis, Evelyne Pochon-Berger

I am very much interested in promoting inclusive, plurilingual and intercultural pedagogic approaches. The ECML products gave me a lot of material to work with in my future editorial work.

Take a closer look

An ECML promotional video made by the PIU team. Feel free to use the film if you like to tell others about the good work done in Graz!

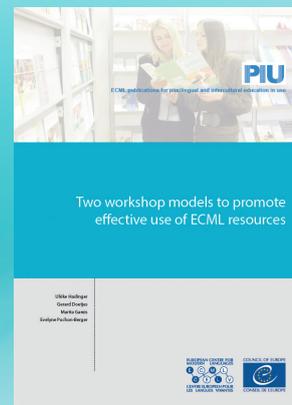

Video available in English, French and German on the ECML web page (www.ecml.at)

Two workshop models to promote effective use of ECML resources

Ideas for...

- preparing a dissemination workshop
- engaging the workshop participants in activities linking up to ECML resources
- gathering evidence of implementation
